

The burglars had bladed weapons, but she turned the tables on them without anyone being hurt.

By the time we got here, the burglars begged us to take them away.

And to make sure they wouldn't commit a crime again, she really put them through the ringer mentally.

Fearful.  
Huh.

Well then, we're off.  
We'll be back later.

That fox wife of yours is a really fearless.

She was also quite tough while we confronted the situation with her afterward.

YOU COME  
HOMER!

What?

I'm Pregnant

I protected our home  
need. But I do good  
for your proud of me.  
Please see, please see,  
please see.  
I did it without ever  
harming them. I made  
a scary face and  
intimidated 'em.

Listen!  
Listen!  
The  
burglars  
came -  
and my  
head went  
black, but I  
Protected  
the house.

They  
decided  
that if  
she's in  
danger,  
she'll  
See to  
her  
husband  
via Tool  
warp

Hehehe...  
And I'll find a hole  
painted on me in a  
while. I was ... a  
bit scared.
